Note:

1. Census divisions are classified into 12 types according to official designations adopted by provincial or territorial authorities. Two exceptions are 'census division / division de recensement' (CDR) and 'territory / territoire' (TER), which are geographic units created as equivalents by Statistics Canada, in cooperation with the provinces and territories, for the purpose of disseminating statistical data.

Symbols:

- t excludes census data for one or more incompletely enumerated Indian reserves or Indian settlements. For further information, refer to **Notes**.
